

“Spring Phling” Fundraiser – 2020

P. O. Box 914

Port Aransas, TX 78373

Dear Parrot Head Supporter,

The mission of the Parrot Heads of Port Aransas, a not for profit organization, is to assist organizations that support various community needs and environmental concerns. Our 2020 Spring fund raiser focuses on The Helping Hands Food Pantry – Children’s Programs that brings that mission home.

After Hurricane Harvey, Helping Hands Food Pantry started on Oct 3, 2017, handing out disaster food boxes at the Community Presbyterian Church. In early 2018, Pantry established temporary housing in a trailer on church parking lot where they still are serving those in need within our community.

Our programs specifically for children include our Backpack program for elementary and middle schools, summer city camp food supplements and summer backpacks, and funds to school nurse for clothing and specific items as needed.

We are planning our annual Spring fundraising event, “Spring Phling 2020” for Saturday, February 29th, 2020. All proceeds raised during this event will be awarded to The Helping Hands Food Pantry. If you or your business is interested in donating to the event, we would greatly appreciate your help. All donations are helpful to our cause and will be recognized at our party.

If you have any questions about Parrot Heads of Port Aransas or this event please feel free to contact me at 361-790-3540 or deno.fabric@gmail.com

Sincerely,

Deno Fabric
