Bring Back The Magic

Hot Water 1988

## Bring Back The Magic

Nothing can tear you apart  
If you keep living straight from the heart  
Though you know that you're gonna hurt some  
The magic will come

If you keep living straight from the heart  
you will know when to stop and to start  
Once you see that no one really wins  
Then the magic begins

Bring back the magic  
Don't make life so tragic  
Bring back the magic  
Don't make life so tragic

Beachcombers ride oh children lost in the tide  
Time's never at their command  
Waves melt all castles of sand  
Melts all castles of sand

Bring back the magic  
Don't make life so tragic  
Bring back the magic  
Don't make life so tragic

Red sky at night such a sailor's delight  
Red sky at dawn oh gypsy song's comin' on  
Gypsy song comin' on  
Song comin' on

Nothing can tear you apart  
If you keep living straight from the heart  
Though you know that you're gonna hurt some  
The magic will come
