

ISLAND POOP

MAY 2014

BREATHE IN, BREATHE OUT, MOVE ON...

Now that the teeming masses of Sand Fest have departed, the weather appears to be making a turn towards beach friendly and the local drama has subsided, let's take just a brief respite to try and remember just who we really are...and what we want to be.

'We seek to provide a pleasant atmosphere in which to share our common love of the music and tales of Jimmy Buffett and to further the charitable ideals that we seek to uphold. It is the intention of the Parrot Heads of Port Aransas (PHOPA) to provide social and charitable activities for the enjoyment and benefit of all our members, guests, hosts and charities.

Welcome words one might say...but are they just that...words on paper ?

Or are they an ideal that we have chosen to passionately embrace ?

Let's explore this further...my fervent hope is that this issue will help us remember.
